Jazz is a music genre that originated in the African-American communities of New Orleans, United States, in the late 19th and early 20th centuries, and developed from roots in blues and ragtime. Jazz is seen by many as "America's classical music". Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. It then emerged in the form of independent traditional ...

The primary tool that the ToK use to manipulate a being into accepting nearly endless reincarnation is the (false) "Light Review." When a person's body dies, they move out into the astral realms and begin to shed most of their previously held identity. If this process were allowed to occur without interruption, the True Light of that being would emerge from within them and they would release ...
